ALI ABDINOOR MUHAMMED

Web Developer in Training | Sales & Operations Professional

Watamu / Kilifi, Kenya • binabdinoor@gmail.com • +254 000 000 000 • linkedin.com/in/your-profile

PROFILE

Trilingual professional (Somali, Swahili, English) with over eight years of experience in sales, cashier operations, and inventory management at Alnoor Enterprises Limited. Currently building hands-on web development skills (HTML, CSS, JavaScript) and has completed freelance data entry, virtual assistant, and transcription work. Reliable, detail-oriented, and motivated to grow a career that blends operational experience with technology.

EXPERIENCE

Sales, Cashier & Inventory Support | Alnoor Enterprises Limited
8+ Years — Present

- Handle sales, cashier duties, inventory management, and day-to-day operational support in a multi-role capacity.
- Maintain accuracy and reliability in cash handling and stock tracking over a long, continuous tenure.

Freelance Data Entry Specialist & Virtual Assistant | Self-employed (Upwork)
Ongoing

- Built a freelance profile and submitted proposals for data entry and virtual assistant work, leveraging Somali language fluency for language-specific projects.
- Completed transcription assignments (Scribie) and managed freelance payments via Payoneer.

WEB DEVELOPMENT SKILLS

- HTML5 & CSS3 — building semantic, responsive page structures and modern layouts
- JavaScript — adding interactivity, form handling, and dynamic behavior to websites
- Git & GitHub — version control and project management basics
- Responsive Design & UI/UX fundamentals
- Personal Project: built and deployed a personal portfolio website (HTML/CSS/JS) with a working contact form

LANGUAGES

- Somali — Native
- Swahili — Fluent
- English — Fluent
